Does Disclosure Ready support ZIP files?

Document Management · https://disclosureready.legalready.ai/knowledge/does-disclosure-ready-support-zip-files/

Disclosure Ready does not currently support uploading ZIP or other compressed archive files.

What to do instead

Before uploading, extract the contents of any ZIP or compressed folder first:

1. Extract (unzip) the contents of the ZIP or compressed folder
2. Upload the individual files or folders directly to your matter
